1 The Authority

ESMA is an independent EU Authority that was established on 1 January 2011. ESMA's mission is to enhance investors' protection and promote stable and orderly financial markets. This mission is derived from ESMA's [founding Regulation](#) and encompasses this objective through three strategic priorities:

- fostering effective markets and financial stability,
- strengthening supervision of EU financial markets,
- enhancing protection of retail investors,

and two thematic drivers:

- enabling sustainable finance; and
- facilitating technological innovation and effective use of data.

ESMA achieves its mission within the European System of Financial Supervision (ESFS) through active co-operation with National Competent Authorities (in particular with securities market regulators) as well as with the European Banking Authority (EBA) and the European Insurance and Occupational Pensions Authority (EIOPA). ESMA has a unique position within

¹ According to the Article 2(f) of the [Conditions of Employment of Other Servants \(CEOS\)](#) of the European Union.

² Temporary agents may be engaged under their first contract for a fixed period of 5 years. Any further renewal shall be in principle for an indefinite duration. Probationary period for the first contract is nine months.

the ESFS as it exercises direct supervision over a number of financial markets participants, established in the EU such as credit rating agencies, or offering financial services in the EU from third countries, such as third countries central counterparties.

For further information, please refer to ESMA's website: <http://www.esma.europa.eu>

2 Job framework and profile

ESMA is organising a selection procedure for the post of **Head of Investigation Unit** to staff one vacant post and to constitute a reserve list of suitable candidates.

The purpose of the position is to lead, direct and coordinate the unit to ensure the achievement of the unit and department objectives.

The [Conduct Supervision and Convergence \(CSC\) Department](#) ensures ESMA further enhances its role as direct supervisor and fosters effective coordinated supervision across EU financial markets.

- Supervision and policy work for ESMA supervised entities (excl. CCPs);
- Coordination of the supervisory convergence work across ESMA and with NCAs.

The CSC Department is currently responsible for the direct supervision of the following type of entities:

- Credit Rating Agencies (CRAs);
- Trade Repositories (TRs);
- Securities Financing Transaction Repositories (SFTRs);
- Securitisation Repositories (SRs);
- Data Reporting Service Providers (DRSPs);
- Benchmark administrators - administrators of critical benchmarks in the EU and third country benchmark administrators recognised in the EU.

The **Investigation (INV) Unit** is mainly responsible for:

- Leading investigations, on-site inspections and thematic reviews across all ESMA supervised entities the CSC Department is responsible for;
- Leading the pre-enforcement work, when there are serious indications of a breach of the relevant legislation;
- Conducting perimeter work to identify companies that are providing credit ratings without being registered by ESMA.

Main duties:

Reporting to the Head of CSC Department, the Head of INV Unit will be responsible for:

Management areas:

- leading the development and implementation of ESMA's work program in the areas of responsibility by defining the Unit's priorities and the necessary coordination with other Units/Departments;
- managing and coordinating the human resources of the Unit and its financial resources, so that people are well motivated, act professionally and deliver consistently high performance within sound ethical principles;
- representing the Unit and ESMA at relevant internal and external meetings in order to support and promote the Authority's decisions, proposals and values;
- act as the main channel for the exchange of information between senior and middle management and the staff members of the Unit;
- developing and fostering strong strategic relations with EU institutions and other relevant stakeholders, and
- accomplish any other tasks assigned by the Head of the Department and replace the Head of Department when needed.

Specific areas related to the job:

- leading the work on investigations, on-site inspections, pre-enforcement work and thematic reviews relevant to the supervisory mandates of the CSC Department, ensuring this work is conducted fairly and independently to the highest quality;
- managing relationships with the stakeholders covered in the activities of the Unit;
- leading the work on the perimeter cases;
- contributing to the design, strategic direction and implementation of the CSC's Department annual supervisory work plan;
- coordinating the work of the INV Unit and their contribution to ESMA's strategy;
- ensuring high quality and timely outputs, on the basis of ESMA's and CSC's Department annual supervisory work programme;
- organising regular reporting to the Head of Department, the Senior Management and the Management Board; and
- liaising with counterparts in other institutions and international fora (European Commission, European Central Bank, Single Supervisory Mechanism, National Competent Authorities).

3 Professional qualifications and other requirements

3.1 Eligibility criteria

To be considered eligible, candidates must satisfy all the eligibility criteria listed below, by the deadline for submitting applications:

English is the internal working language of ESMA, as decided by ESMA Management Board with the decision ESMA/2011/MB/3 of 11/01/2011. This decision implements Article 73 (2) of the ESMA [Regulation \(EU\) No 1095/2010](#) establishing ESMA.

- j) Ability to build productive and cooperative working relationships with multiple internal and external stakeholders (interpersonal skills);
- k) Ability to communicate clearly and present complex subjects simply, both orally and in writing, including to the members of the team (communication skills), and
- l) Ability to work under pressure and deliver high quality work under very tight timelines.

The candidates who receive at least 60% of the maximum points in both the written tests and interviews will be included in the reserve list of suitable candidates.

All candidates on the reserve list will be invited for a one-day assessment centre and will be interviewed by the Executive Director and one member of the Selection Board.

The established reserve list may be used for the recruitment of a similar post depending on the needs of ESMA. Please note that inclusion in the reserve list does not guarantee recruitment.

The Selection Board's work and deliberations are strictly confidential and any contact with its members is strictly forbidden. Any contact made by the candidates or third parties in order to influence the Members of the Selection Board in relation to the selection constitutes grounds for disqualification from the selection procedure.

4 How to apply

You must submit your application through [e-Recruitment](#). ESMA does not accept applications submitted by any other means.

All sections of the application must be completed in English. To be considered, applications must be received by 23:59:59 CET on the closing date. We advise you to submit your application well ahead of the deadline, to avoid potential problems due to increased activity on the recruitment platform.

Please consult the [Candidates Guidelines](#) for instructions on completing your application.

Following the submission of the application candidates will receive an automatic email acknowledging receipt of the application.

Please note that all correspondence will take place by email, so candidates should ensure that the email address associated with applicant's account is correct and that it is checked regularly.

Applicants will be assessed on the basis of the eligibility and selection criteria specified in the vacancy notice (as explained in part 3) and these must be met by the deadline for submitting applications.
